Proposals for changes to the Constitution

Amendment to S3.2

Proposal for the role of Communications Officer

The Communications Officer will be responsible for planning and delivering communications to key groups, members, volunteers and the media; an annual communications plan will be developed.

The post holder will work with the committee and the membership to plan, develop and manage content for the website and to maintain social media accounts.

This role will enhance the reputation of Otley Sailing Club by promoting club events and promoting the club and its activities to all stakeholders and external audiences.

All press matters will be coordinated by the post holder ensuring that consistent and accurate information is publicised about the club.

It is proposed that this role be added as an officer of the club and the constitution amended accordingly.

Proposal to change an officer title

It is proposed that the Flag Officer Training be changed to Sailing Principal.
